Choice Plus® Participating  
Physician Listing

For the most current list of participating providers,  
visit [independenthealth.com/findadoctor](https://independenthealth.com/findadoctor).

Data last updated 07/11/2023

This listing provides the names and locations of participating providers for our **Choice Plus** product. All the providers listed are those located throughout Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Niagara, Orleans and Wyoming Counties.

The sections included are listed in alphabetical order to make your search easier. Provider numbers have also been listed below each of the physician names in case this information is requested by the provider office you are visiting.

### **Participating/In-Network Primary Care Physicians**

This listing of participating primary care physicians (PCPs) and specialists is divided into two categories: Network A and Network B. When enrolling in Choice Plus, each member of your family must choose a primary care physician from Network A. **While both Network A and Network B providers are considered “participating,” you will receive the highest level of coverage by obtaining health care services from Network A facilities and providers.** Choice Plus also provides coverage for services rendered by non-participating providers; however, your out-of-pocket expenses will be significantly higher.

### **No Referrals**

While maintaining a relationship with your PCP allows them to have the best understanding and ability to maintain the health of you and your family, you do not need to get a referral from your PCP to see a specialist. At the time of the visit, present your member ID card. You will be responsible for the appropriate member liability as described in your Contract or Summary of Benefits.

If you have any questions about the plan being offered to you by your employer, check with your benefits administrator.

If you do not find your physician listed and would like to see if he or she has recently joined Independent Health; have questions about the status of a physician; or would like to learn the hospital affiliations of a participating physician, call the physician’s office or Independent Health at (716) 631-8701 or 1-800-501-3439.

At Independent Health, we make every attempt to provide you with an accurate listing of participating providers; however, the list can change on a daily basis. Physicians who are not listed here may have joined the plan since the printing of this listing. Also, physicians who are listed here may have discontinued their participation in the plan since the printing of this listing, as of the date noted in the footer located at the bottom of each page.

Physicians and providers may discontinue participating in the plan at any time due to relocation, retirement, death or other reasons. Therefore, the physicians and providers who are participating with Independent Health when you join may not always be participating in the plan.

For the most current list of participating providers, visit [independenthealth.com/findadoctor](http://independenthealth.com/findadoctor).
