Case Managers are Here for You

At Independent Health, we’re dedicated to finding ways to help our members live healthier lives. Our Case Management team of experienced and highly trained nurses and other care specialists (including behavioral health, physical therapy, respiratory therapy, and certified diabetes educators) are here when you need someone to guide you.

**OUR CASE MANAGERS MAY CALL YOU ON THE PHONE AND HELP YOU:**

- Understand your diagnosis and treatment options
- Coordinate your care with your Primary Care Physician, Specialist and other providers
- Understand your medications and how to take them as prescribed
- Address barriers you may have with obtaining your medications
- Understand your plan of care
- Get support for you/your family/caregivers to keep you safe at home
- Understand your benefits
- Link with community resources
- Understand health issues related to aging

**WHEN AND WHY WE CALL OUR MEMBERS**

If you’ve been in the hospital with a serious health condition or experienced complications, are living with multiple health conditions and finding it difficult to manage your daily activities, a Case Manager may call to help:

- Identify what’s important to you, to manage your health condition such as asthma, cancer, COPD, diabetes, heart disease, high-risk pregnancies, serious mental illness and/or substance abuse diagnosis
- Guide you to appropriate resources
- Keep you on the road to recovery by assisting you with your discharge instructions

**What Our Members Say About Us:**

“My Case Manager was very knowledgeable and helpful. Her warmth and sound advice were extremely comforting during a very stressful and difficult time.”

“She truly made me feel that she and Independent Health cared about my well-being.”
