

FitWorks® Rewards is a wellness program that offers eligible subscribers and their covered spouses the opportunity to earn up to two Visa® reward cards each month for completing different health and wellness challenges.

Independent Health will award the following on a monthly basis:

- **\$100 reward cards** for completing claims-verified challenges
- **\$50 reward cards** for completing self-reported challenges

The more challenges completed, the more points participants receive, and the greater the chances to earn up to two Visa® rewards every month. Every 50 points earned in each category equals one entry in the monthly drawing.

Follow these steps to qualify for FitWorks Rewards:

- Confirm your eligibility.** Verify that you are a subscriber to a commercially insured individual or small group plan by calling Independent Health's Member Services Department at (716) 631-8701 or 1-800-501-3439. Eligibility begins upon your plan's effective date.
- Complete FitWorks Rewards challenges.** Every challenge is worth points, and every 50 points earned in each category equals one entry in the monthly drawings.
 - **Claims-verified challenges** are tracked by Independent Health. Points will be awarded once the claim from your health care provider is received and verified by Independent Health.
