USING A MAIL-ORDER PHARMACY FOR YOUR MEDICARE PART D PRESCRIPTIONS

In addition to Independent Health’s retail pharmacy network, you may also obtain 90-day supplies of maintenance medications through ProAct Pharmacy Services or Wegmans Mail Order Pharmacy. These mail-order pharmacies ship your medications directly to you via standard delivery at no additional cost to you (express shipping is available for an additional charge).

Obtaining Prescriptions

• First, you need a new prescription written by your doctor. Ask your doctor to write a new prescription for a 90-day supply for mail service plus refills for up to one year (as appropriate).

• **Please note:** When placing your initial order, you should have at least a 14-day supply of that medication on hand to hold you over. If you do not have enough medication, you may need to ask your doctor for another prescription for a 90-day supply to be filled at your local retail network pharmacy.

• Your copayment for your 90-day supply depends on your plan.

• You may easily pay your copayments using Visa, MasterCard, Discover, American Express, or by check or money order.

Ordering Refills
You can easily refill your prescription online, by telephone or by mail. You will need your Member ID number and your prescription number to order refills. If you choose to pay by credit card, please have your credit card number available. To make sure you don’t run out of medication, remember to reorder 14 days in advance.
