## Benefit Summary

**Plan Name:**

**Choice Plus Platinum**

### Important Notes

Deductible is determined as of the date(s) claims are processed by Independent Health, not the date services were rendered.

**Embedded** - On a single policy, the single deductible/out-of-pocket maximum must be met before Independent Health provides reimbursement for covered services. On a family policy, once a family member meets the single deductible/out-of-pocket maximum, the deductible/out-of-pocket maximum is satisfied for that member.

**Non-Embedded (True Family)** - On a single policy, the single deductible/out-of-pocket maximum must be met before Independent Health provides reimbursement for covered services. On a family policy, the entire family deductible/out-of-pocket maximum must be met before Independent Health provides reimbursement for covered services. An individual on a family policy will NOT stop at the single deductible/out-of-pocket maximum.

**In-area Non-Participating Providers:** Services provided by a non-participating provider in the 8 counties of WNY are Not covered.

**Out-of-Network (if applicable):** Member is responsible for the difference between Independent Health's allowed amount and the non-participating provider's billed amount.

**Member Pre-Authorization:** Certain services and benefits are subject to member pre-authorization. Member is responsible for contacting Independent Health for pre-authorization.

**Child (if applicable):** Cost-share applies if member is under the age of 19
