The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-501-3439 or visit www.independenthealth.com. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at www.independenthealth.com or call 1-800-501-3439 to request a copy.

| Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| What is the overall deductible?                             | In-Network: Network A: \$2,400<br>Individual \$4,800 Family / Network<br>B: \$3,900 Individual \$7,800 Family<br>Out-of-network: \$5,000 Individual\$<br>10,000 Family | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.  |
| Are there services covered before you meet your deductible? | Yes, preventive care and other major categories of service, as identified in the SBC, are not subject to deductible.   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.   |
| Are there other <u>deductibles</u> for specific services?   | No.  | You don't have to meet <u>deductibles</u> for specific services.   |
|   | Network Providers: Network A:<br>\$7,100 Individual \$14,200 Family<br>Network B: \$7,100 Individual<br>\$14,200 Family<br>Out-of-Network Providers:<br>Unlimited      | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.   |
| What is not included in the out-of-pocket limit?            | Premiums, balance-billed charges, penalty amounts, and non-covered services.   | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |
| Will you pay less if you use a network provider?            | Yes. See www.independenthealth. com or call 1-800-501-3439 for a list of network providers.  | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a referral to see a specialist?                 | No.  | You can see the specialist you choose without a referral.  |
