

INDEPENDENT HEALTH'S

Passport Plan® Local

WELCOME TO INDEPENDENT HEALTH!

Being a member of Independent Health has many advantages — from the comprehensive coverage your plan provides, to a wide variety of tools, benefits and services you can use to help you get and stay healthy.

WHAT YOU NEED TO KNOW ABOUT YOUR PLAN

Independent Health's Passport Plan® Local offers you **the freedom to access care locally or nationally from any physician, provider or hospital within our local network or our national network through UnitedHealthcare - all for the same low copay/coinsurance** (deductible may apply based on plan selection). Get access to the care you need right from your home in Western New York or while working or traveling throughout the country.

The UnitedHealthcare network provides peace of mind and out-of-area access to a comprehensive national network of providers outside Independent Health's network, which is made up of the eight core counties of WNY, plus 15 surrounding counties in regional/central New York and along the Pennsylvania border. Find a participating provider* at independenthealth.com/findadoctor - where you can also click the UnitedHealthcare network link.
