

WELCOME TO INDEPENDENT HEALTH!

Being a member of Independent Health has many advantages — from the comprehensive coverage your plan provides, to a wide variety of tools, benefits and services you can use to help you get and stay healthy.

WHAT YOU NEED TO KNOW ABOUT YOUR PLAN

Independent Health's Passport Plan® National is perfect for people who are employed by a WNY employer but **who reside outside the 23 counties of Independent Health's network** (which is made up of the eight core counties of WNY, plus 15 surrounding counties in regional/central New York and along the Pennsylvania border). Depending on your plan, you may or may not have a deductible. This plan gives you the flexibility to **access care at the right place and time through our enhanced national network with UnitedHealthcare**. You get the convenience of copays or coinsurance on frequently-used services - all backed by a dedicated team of RedShirtsSM.

The UnitedHealthcare network provides peace of mind and out-of-area access to a comprehensive national network of providers outside Independent Health's network. Find a participating provider* at independenthealth.com/findadoctor - where you can also click the UnitedHealthcare network link.
