

Understanding the Basics of Special Needs Plans

Do you or a loved one live in a nursing home? Or, do you have a loved one diagnosed with Chronic Heart Failure (CHF) or a related condition? If so, Independent Health has Medicare Advantage plans designed to help people with these specialized needs.

Please join us, in person, for a seminar that explains why our Special Needs Plans might be right for you. An Independent Health RedShirt® will be there to cover the basics, including eligibility, enrolling, benefits and our personalized Model of Care.
