These services are covered in full when rendered by an in-network/participating provider. Some preventive services need to meet specific criteria. Please call Member Services at (716) 631-8701 or 1-800-501-3439 for clarification of coverage.

Please keep in mind, a routine checkup (well visit) or preventive service can sometimes turn into a “sick visit,” in which you will be responsible for paying an office visit copay or, if enrolled in a deductible plan, all charges until your deductible level is met. There may be other services performed in conjunction with the above preventive care services, which are subject to any applicable liability as described in your contract.

* Does not include procedures, injections, diagnostic services, laboratory and X-ray services, or any other service not billed as an Evaluations and Management (E&M) code.

** Please note: BRCA mutation screening requires prior authorization to review for medical necessity based on product. Reference the following policy for additional information: Breast Cancer Susceptibility 1 and 2 (BRCA 1/2) Sequence Testing for Susceptibility to Hereditary Breast Cancer and BRCAAnalysis® Rearrangement Test (BART).

*** Not available for Standard or FEHB members.

[†] Applicable to plans that have fully insured prescription drug coverage, excluding Standard and FEHB plans.

Preventive Care Services are: Items or services with an “A” or “B” rating from the United States Preventive Services Task Force; immunizations pursuant to the Advisory Committee on Immunization Practices (“ACIP”) or as recommended by the New York State Commissioner of Health; and preventive care and screenings that are provided for in the comprehensive guidelines supported by the Health Resources and Services Administration (“HRSA”). These services are subject to change based on the recommendations and guidelines of these agencies.
