

Step-by-Step Guide

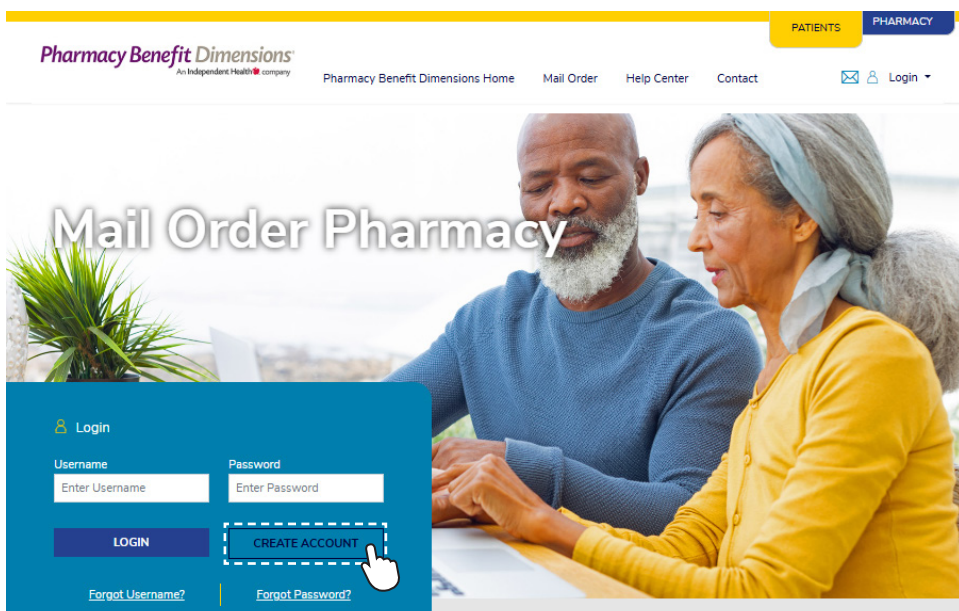

This guide provides basic instructions for creating an online account. Please note: We only allow one online account per family member over 18.

? Why register for an account?

Registering for an online member account allows ProAct Pharmacy Services members or spouses/dependents to access ProAct Pharmacy Services claims history and many other mail order tools.

TO BEGIN THE PROCESS:

Visit pbd.proactrx.com. Click on the **CREATE ACCOUNT** button in the large blue Login box.

STEP 1: REGISTER

Complete each field.
Click **PROCEED TO ACTIVATE**.

! Your password must be a minimum of 9 characters with at least one number and one uppercase letter.

! You are required to check the boxes to accept the Privacy Policy and Terms of Service. You may read the policy and terms by clicking on each of the hyperlinks.

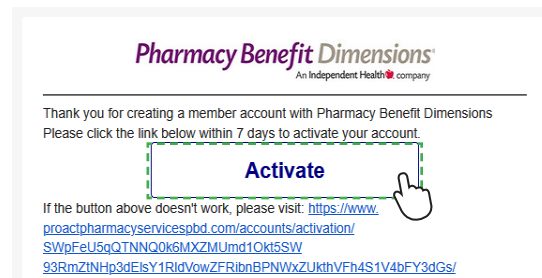

STEP 2: ACTIVATE

After you click **PROCEED TO ACTIVATE**, you will be prompted to check your email for an activation link. (The activation link will be emailed to the address you entered when completing the questionnaire back in Step 1: Register.) Sign in to your email account and locate the email sent by ProAct Pharmacy Services in your Inbox with the subject line "ProAct Pharmacy Services Account Activation". Open the message. Click the **Activate** button.

The link will expire after 7 days.

STEP 3: LOGIN

The link will bring you to a confirmation page. Continue by entering the username and password you created in Step 1: Register.

Click **NEXT**.

The password field is case sensitive.

STEP 4: SECURITY

Answer the security question.

You may choose to check the box for ProAct Pharmacy Services to remember your device.

Click **SUBMIT**.

The screenshot shows the 'Security Question' step of the account creation process. At the top, a progress bar indicates six steps: 1. Register, 2. Activate, 3. Login, 4. Security Question (current step), 5. Verify Identity, and 6. Success!. Below the progress bar, the heading reads 'What answer did you provide to this security question?'. The main question is 'What was your childhood nickname?'. There is a text input field with placeholder text 'Secret answer you provided, not case sensitive.' and a checkbox labeled 'Remember me on this device so I do not have to answer a secret question from here again for 4 months.' At the bottom, there is a blue 'SUBMIT' button with a hand cursor pointing to it.

STEP 5: VERIFY

To verify your identity and gain access to your protected data, you must complete the fields.

Click **FINISH VERIFICATION**. The registration process is complete.

Enter your Member ID exactly as it is shown on your benefit card.

The screenshot shows the 'Verify' step of the account creation process. At the top, a progress bar indicates six steps: 1. Register, 2. Activate, 3. Login, 4. Security Question, 5. Verify Identity (current step), and 6. Success!. Below the progress bar, the heading reads 'Welcome Pharmacy Benefit Dimensions Member!'. The main heading is 'Please answer all of the following to verify your identity so we may grant you access to your HIPAA protected data'. The form contains five fields: 'First Name *' (with a note 'From your prescription benefit card'), 'Last Name *' (with a note 'From your prescription benefit card'), 'Zip Code *' (with a note 'Zip code from your enrollment form'), 'Date of Birth *' (with a note 'mm/dd/yyyy' and a calendar icon), and 'Member ID *' (with a note 'From your prescription benefit card'). At the bottom, there is a blue 'FINISH VERIFICATION >>' button with a hand cursor pointing to it.

STEP 6: SUCCESS

Your online account has been activated.

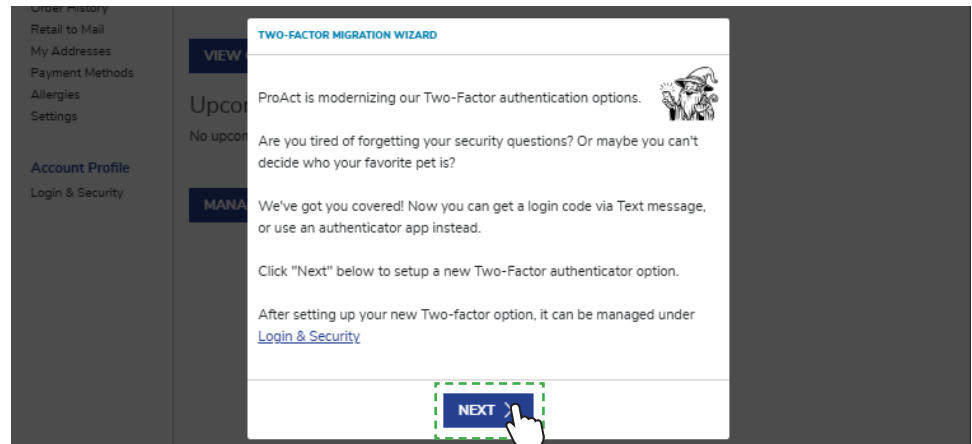

Click **GO TO MY DASHBOARD**.

The screenshot shows the 'Success' step of the account creation process. At the top, a progress bar indicates six steps: 1. Register, 2. Activate, 3. Login, 4. Security Question, 5. Verify Identity, and 6. Success! (current step). Below the progress bar, the heading reads 'Create Your Account'. The main heading is 'Register for an online account today to get access to your mail order history, order details, and more.' Below this, there is a green box with a checkmark and the text 'Your verification is complete and your account is ready.' At the bottom, there is a blue 'GO TO MY DASHBOARD' button with a hand cursor pointing to it.

STEP 7: AUTHENTICATION

Once in your Dashboard, you'll be prompted to enable Two-Factor Authentication.

Click **NEXT**.

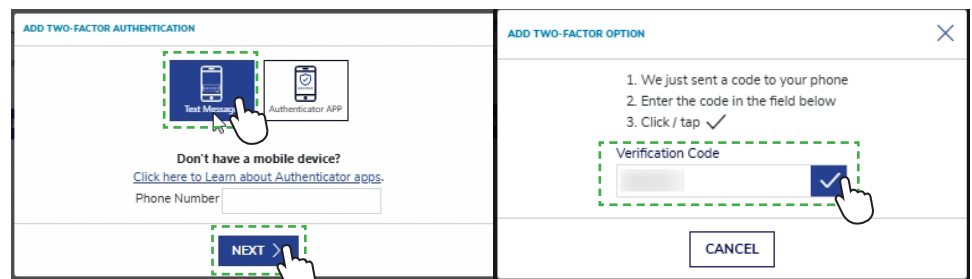

STEP 8: TWO-FACTOR VERIFICATION

Select Text Message as your Two-Factor option.

Click **NEXT**.

A code will be sent to your phone via text. Enter the code and click the check mark button.
