Participating Laboratories

Your Independent Health patients can save substantially on laboratory costs when you refer them to participating laboratories. To help them save money and avoid paying out of pocket, please refer them to one of the providers on the list below.

This list and the covered services at these locations are subject to change at any time.

Not all laboratories participate with all lines of business or for all types of tests. Please contact Provider Relations at (716) 631-3282, Monday through Friday from 8 a.m. to 5 p.m., to verify coverage.

PREFERRED LABORATORY

Quest Diagnostics | www.questdiagnostics.com
